2020 Winter School COURSE DESCRIPTIONS

Choose one course from the following four courses and remember to make a second choice, too

COURSE #1 BARGAINING

Ric McAlpine, Morgan Chagnon and Kelli Howell

How Bargaining Works

- This module can be added to other parts of the Bargaining Education Program. It covers the legal framework for collective bargaining and where we get our power as a union.

Analyzing your Collective Agreement

- In this workshop, the local executive:
 - analyzes their contract and identifies gaps;
 - learns about the Collective Agreement Information System (CAIS) and the importance of using clear language

At the Bargaining Table

- This workshop gives bargaining committee members the training they need, when they need it, so they can get the best deal possible for their members. It is delivered by the national servicing rep and happens in stages throughout negotiations. The workshop explores how to work effectively in caucus, as well as at the bargaining table.

Please bring a copy of your Collective Agreement

COURSE #2 ADVANCED HEALTH AND SAFETY LEARNING SERIES

Stephen Terichow Parrot and Sue Roth

Understanding Mental Injuries at Work

- New forms of work, job insecurity, work intensification, high demands, violence and a resulting poor work-life balance are resulting in psychosocial and mental health problems in CUPE workplaces. This module focuses on the workplace as the cause of mental health issues, and not the individual. Discuss strategies and actions that actually help make workplaces psychologically healthier and safer.

Ergonomics

- This module looks at the musculoskeletal injuries in the workplace, such as strains and carpal tunnel syndrome, the risk factors and the employers' obligations to prevent these types of injuries.

Law and Orders

- This module covers the basic origins of health and safety law, how to find, read and interpret relevant sections of law and highlights some of the more important aspects of the specific health and safety law that applies to you.

Recommendations and Notetaking

- Learn how to take notes at committee meetings and prepare recommendations.

Violence Prevention

- This module examines the risk factors that lead to violence in the workplace, and the employer's obligations to prevent workers from being injured by violence while at work. We examine relevant health and safety law and start to develop strategies to make our workplaces safer.

In order to register, you must have completed the 9-hour Introduction to Health and Safety workshop.

Please bring your Health and Safety Learning Series Passport, if you have one.
