## **ARTICLE 1 - DEFINITIONS**

Wherever used in this Agreement:

**Absent Without Approved Leave** is an employee absent from work without permission. Failure to report or late reporting may result in the employee being considered absent without leave. An employee terminates their employment by being absent from work in excess of three (3) days without sufficient cause or without notifying the Employer unless such notice was not reasonably possible. Allowance may be given for any extenuating circumstances, medically or otherwise, which prevented them from reporting on time. **[2016]**

**Appeal Board** referred to in this Agreement shall consist of four members. Two of these will be appointed by the Union, and two by Management. In those cases pursuant to Article 23-1 where agreement cannot be reached, the matter shall be referred to the Chief Administrative Officer and his or her decision shall be binding on both parties. In those cases pursuant to Article 6 where agreement cannot be reached, the matter shall be referred to the Arbitrator in accordance with Article 6 of the Agreement.

**Branch** means a recognized subdivision of a department or division.

**Day** shall be defined as a calendar day. **[2016]**

**Department, Division or other such designation** means any designated part of the Administration of the City that is under the executive control of a Department Head, Director, or such other designated officer responsible to the Chief Administrative Officer.

**Department Head** means the Department Head, Director, General Director or Manager, as the case may be, of the relevant department, division or such other group designation as the context in any particular case may permit or require.

**Part-Time Employee** means any employee of the City who is required to work regularly but as a rule less than the weekly hours of work, as specified in Article 17, and who has established and who maintains seniority in accordance with Article 20, and who works in excess of the equivalent of 63 days in each calendar year.

**Permanent Employee** means any employee of the City who, having worked continuously for six months, is appointed to any position within the permanent establishment determined by the City Council.

**Plural or Feminine Terms** whenever the singular is used in this Agreement, it shall be considered as if the plural has been used where the context of the party or parties hereto so require. Whenever a noun, pronoun, or adjective indicating gender or sex is used, the other gender or sex, including two-spirited, intersexed, transgendered and transsexual persons shall be deemed to be included. **[2016]**

**Probationary Employee** means any new employee of the City who is in the process of fulfilling the initial six month probationary requirements.

**Public Holiday** means any day or part of any day, which is stated as such in this Agreement, or one which is proclaimed as a public holiday by the Federal Government, Government of Manitoba, or City of Winnipeg.

**Regular Working Day** shall be defined as Monday through Friday exclusive of negotiated holidays and weekends. **[2016]**

**Seasonal Employee** means an employee of the City who has fulfilled the probationary requirements and has maintained seniority as a seasonal employee and who is occupying any position which is, due to the seasonal nature of the work, subject to lay off and recall.

**Shift Workers** are those employees who are engaged in any operation which requires them, on a regular basis, to work hours in excess of eight (8) hours per day or a shift that has the majority of hours between 4:00 p.m. and 8:00 a.m. or days other than regular days Monday to Friday. **[2016]**

**Summer Student Employee** Student means an employee of the City who is employed to do limited term summer work (during the period of April 15<sup>th</sup> and September 15<sup>th</sup>) on the understanding that he or she intends to return to school at the end of the season. Such employees will not establish seniority (and are not subject to the terms of the Collective Agreement with the exception of the grievance procedure). **[2016]**

**Temporary Employee** means any employee of the City who is hired for any assignment of duty or project scheduled for termination in due course, or who is occupying any position not within the permanent establishment determined by City Council, but who has completed his or her six month probationary period.

**Transfer** of an employee means an appointment to a vacancy outside his or her normal line of promotion.

## **ARTICLE 2 - BARGAINING UNIT**

The City recognizes the Canadian Union of Public Employees, Local 500 as the sole and exclusive collective bargaining agency for all employees covered under Certificate No. MLB 3935 issued under the Labour Relations Act by the Manitoba Labour Board on the 31<sup>st</sup> day of August, 1983.

## **ARTICLE 3 - RESPECTFUL WORKPLACE**

**3-1** The City and the Union jointly affirm that every employee in the Civic Service shall be entitled to a respectful and safe workplace. The environment must be free of behaviours such as discrimination, harassment, disruptive workplace conflict, disrespectful behaviour, and violence in the workplace.

The principal of fair treatment is a fundamental one and both the City and the Union will support employees who find themselves in a position that could jeopardize their well-being or undermine work relationships and productivity.

In addition, the parties agree that a respectful workplace includes a safe and healthy workplace as defined by the *Manitoba Workplace Safety and Health Act*.

### **3-2 Definitions**

Although disrespectful behaviour, disruptive workplace conflict and harassment can be defined, in practice they overlap. The following definitions, although not all inclusive, have been designed to accommodate the different types of concerns that may arise.

- a) Disrespectful behaviour is improper behaviour that is unwelcome and inappropriate in the workplace. It may happen once or continue over time. It can include:

- rude comments and swearing as well as spreading unfounded or misinformed rumours that damage people's reputations;
  - actions that invade privacy or personal property or unwelcome gestures; and
  - display or distribution of printed or electronic material that offends.
- b) A disruptive workplace conflict is defined as an ongoing dispute or communication breakdown between two or more individuals that impacts their ability to work productively and cooperatively in the workplace.
- c) Harassment is any behaviour that demeans, humiliates or embarrasses a person, and that a reasonable person should have known would be unwelcome. It may be a single incident or continue over time. Harassment includes:
- verbal abuse;
  - actions such as touching or pushing;
  - comments such as jokes and name calling; or bullying
  - displays such as posters and cartoons; or
  - abuses of power such as threats or coercion.
- d) The *Manitoba Human Rights Code* prohibits harassment and discrimination related to the following characteristics: ancestry, race, ethnic or national origin, nationality, political belief, religion, family status, sex, including pregnancy, age, marital status, sexual orientation, (gender identity, social disadvantage) source of income, and physical or mental disability. **[2016]**
- The parties agree that there shall be no discrimination or harassment as defined by the *Manitoba Human Rights Code*. The parties further agree that there shall be no discrimination or harassment on the basis of place of residence and membership or activity in the Union.
- e) Workplace violence is a threat that may include but is not limited to any act, gesture or statement that may be interpreted as threatening or potentially violent. A violent act is one that causes or may cause physical harm to persons or damage to property.

**3-3** If the Respectful Workplace Article is not being followed, the process outlined in the Letter of Understanding Re: Respectful Workplace will apply.

#### **ARTICLE 4 – EMPLOYMENT SECURITY**

**4-1** Where City forces and forces of the private sector perform identical functions on behalf of the City and where City forces have demonstrated, through new or improved procedures and techniques, that they can provide such service at a cost equal to or less than the private sector, the City would reduce the involvement of the private sector in such functions, or take such other steps, as desirable, in order to provide employment for surplus staff resulting from such improvement in procedures and techniques, subject to any contractual agreements governing such service being provided by the private sector.

- 4-2** During the life of this Agreement, no permanent employee shall be laid off provided they accept any reasonable offer of alternative employment made by the City. This provision shall expire on February 28, 2021. **[2016]**

## **ARTICLE 5 - DURATION, REVISION AND TERMINATION OF AGREEMENT**

- 5-1** This Agreement shall be binding upon the parties from December 25, 2016 until February 28, 2021 and thereafter until replaced or terminated. **[2016]**
- 5-2** No changes to the Agreement shall have a retroactive effect unless specifically provided. This Agreement takes effect upon ratification by City Council and the Union.
- 5-3** Either party desiring to propose changes to this Agreement shall, between the period of 30 days and 90 days prior to the termination date, give notice in writing to the other party of the changes proposed. Within 30 days of receipt of such notice by one party, the other party is required to enter into negotiations for a new agreement. This 30 day time limit may be extended by mutual agreement.

## **ARTICLE 6 - CLASSIFICATION OF EMPLOYEES**

- 6-1** All employees covered by this Agreement will be classified into six groups as follows:
- a) Permanent employees
  - b) Temporary employees
  - c) Seasonal employees
  - d) Part-time employees
  - e) Probationary employees
  - f) Students
- 6-2** The Union shall be notified in writing of all new positions, reclassifications or revisions of present positions. All terms covered by this Agreement with respect to all new positions, reclassifications or revisions of present positions, shall be subject to negotiation between the City and the Union and in the event of disagreement, the dispute may be submitted to the Appeal Board as defined in Article 1.
- 6-3** The party submitting a dispute to an Appeal Board shall notify the other party, by registered mail, of its two nominees. The party receiving such notice shall, within 30 working days of receipt, notify the other party of its two nominees by registered mail. The Appeal Board shall meet as required and render its decision within 45 working days of the appointment of the final two members. These time limits may be extended by mutual agreement between the City and the Union.
- 6-4** Classification disputes not resolved by an Appeal Board may be referred to arbitration in accordance with Article 31-1, Step 3-A of the Agreement. The Arbitrator's jurisdiction on classification matters will be as specified in Article 6 of the Agreement.
- 6-5** The Arbitrator shall only resolve disputes where substantive changes to the core duties of an existing position have been demonstrated, or where a new job classification has been created.

Where the revised or new position does not fit within an existing CUPE classification, the Arbitrator shall determine the proper rate of pay for the revised or new position based on the relationship established by comparison with the rates for other classifications in the bargaining unit.

The Arbitrator shall not have jurisdiction to make a determination that is higher than the Union's proposal or lower than the City's proposal. Where the decision concerns changes that have already been implemented by the City, the Arbitrator shall award retroactivity beginning the first full pay period in the month following the reclassification request.

An Agreed Statement of Facts shall be submitted to the Arbitrator at least five working days prior to the hearing. All documentary evidence shall be submitted to the Arbitrator and the other party at least five working days prior to the hearing. The City and the Union shall each be limited to presenting evidence from two witnesses having specific knowledge of the dispute in question. The Arbitrator shall not admit or consider evidence relating to pay rates in other City bargaining units or with respect to other employers.

- 6-6** The Arbitrator shall provide a brief written rationale for his or her decision within five working days of the hearing, and that decision shall be binding on both the City and the Union.

#### **ARTICLE 7 - TRANSPORTATION, BOARD AND LODGING EXPENSES**

Employees temporarily transferred or those whose duties require them to do work outside the City shall be provided with transportation and estimated expenses in advance, providing two days prior notice is given. They shall suffer no loss of time until their return. Any adjustment required in expense allowances will be made within five days of submission of receipts or vouchers and such receipts shall be submitted to the Department Head immediately upon the employee's return.

#### **ARTICLE 8 – INFORMATION TO BE PROVIDED**

- 8-1** The City shall make available to the Union, on request, information required by the Union such as job descriptions, positions in the bargaining unit, wage rates, and currently assembled financial and actuarial information pertaining to pension and benefit plans.
- 8-2** The Union shall furnish the City, by March 31<sup>st</sup> of each year, with a list of the officers of Local 500 including the stewards in each of the civic departments, divisions and branches where applicable.

#### **ARTICLE 9 – LICENCES, CERTIFICATIONS AND ACCREDITATIONS**

- 9-1** The cost of the medical examination, including any optometry eye examinations required due to a medical requirement, which may be required by the Province of Manitoba Motor Vehicle Branch, will be paid for by the City for all employees who are required to move City vehicles. Employees will be required to provide medical documentation as proof of the optometry eye examination outside of the standard doctor's office eye test for driver's licences. **[2016]**
- 9-2** Employees will be compensated for successful completion of a road test to upgrade their driver's licence for the purpose of moving City vehicles.
- 9-3** Effective January 1, 2004 the City shall pay all costs of licenses and accreditations, including membership in professional organizations that are required by the City as a condition of employment. The provisions of this Article apply to those employees who

accrue and maintain seniority pursuant to Article 20 of the Agreement. This provision shall not include payment of driver's licence fees.

#### **ARTICLE 10 - DEPARTMENTAL SUPPLEMENTARY RULES AND REGULATIONS**

- 10-1** Upon request of either party, each Department Head may negotiate rules and regulations governing special working conditions for the various occupations and classifications, which are supplementary to the general conditions of employment. These Supplementary Agreements shall specify the policy of the Department with respect to promotion and seniority and any other matters mutually agreed upon. Such supplementary rules and regulations shall not vary the intent or meaning of this Agreement.
- 10-2** Upon receiving a request from either party, negotiations will begin within 30 days or within a reasonable period of time that is mutually agreed upon.
- 10-3** Supplementary Agreements shall, unless required to be approved by Council, be subject to the approval of the Manager of Labour Relations. However, agreements with respect to lines of progression and changes thereto are subject to Letters of Understanding between the City, as approved by the appropriate Department Head, the Manager of Labour Relations and authorized officers of the Local Unit. All such Supplementary Agreements and Letters of Understanding shall be signed by the City in accordance with applicable bylaws, policies and administrative standards, and by the Union Representative and authorized signing officers of the Local Unit on behalf of the employees. **[2016]**
- 10-4** When either party serves notice of termination of the General Agreement under Article 5-3, it shall also be a notice of termination of all Supplementary Agreements negotiated under Article 10, no matter what provisions for termination are contained in Supplementary Agreements. However, when the new General Agreement takes effect, all Supplementary Agreements, except insofar as they may be inconsistent with such new General Agreement, shall be revived and shall continue in force subject to variations that may be made under Article 10.
- 10-5** The terms and conditions in every Supplementary Agreement shall continue as long as the terms and conditions of the General Agreement remain in effect.

#### **ARTICLE 11 – HEALTH AND SAFETY**

- 11-1**
  - a) The City shall put into effect regulations and training which will afford reasonable and adequate protection to employees engaged in hazardous work.
  - b) Departmental Joint Health and Safety Committees will develop and implement policies with respect to working in the cold and heat.
- 11-2** The Department Heads and employees shall adhere to the safety regulations. The City shall enforce the regulations and shall maintain safety equipment in proper condition, and may test equipment at regular intervals.
- 11-3** Where it is deemed necessary by the Department Head, the City agrees to establish a Departmental Safety Committee in each department of the civic service which will consist of employee and management representatives in numbers authorized by the Department Head.

**11-4** The Safety Committee shall meet no more than once each month and at the request of the Union or the Department Head. Minutes of all meetings will be recorded and copies of the minutes shall be forwarded to the Department Head and the Union.

**11-5** A Joint Central City of Winnipeg/CUPE Local 500 Health and Safety Committee made up of five representatives each shall deal with corporate wide issues. The Committee shall meet twice annually unless otherwise agreed by the parties.

## **ARTICLE 12 – FILLING OF VACANCIES**

### **Seniority**

**12-1** Vacancies and new positions shall be filled by the senior employee, determined as outlined in Article 12-2, who:

- a) is able to meet the requirements of the position; and
- b) has the ability to fit himself or herself for further promotion where such ability is essential for the efficient functioning of the service.

**12-2** Employees will be ranked by seniority as follows:

- a) Where the position is in a line of progression, applicants from within the Department and within the line of progression will be ranked using the following dates:
  - i) Employees in the next grade junior to the vacancy who are applying for promotion, use their current classification seniority date in the Department.
  - ii) Employees in the same grade as the vacancy who are applying for a lateral transfer, use their classification seniority date in the Department for the classification next grade junior to the vacancy.
  - iii) Employees in a higher grade than the vacancy who are applying for a demotion, use their classification seniority date in the Department for the classification next grade junior to their current classification.
  - iv) Employees who are applying for a lateral transfer or demotion and who do not have a seniority date for the relevant next grade junior, use their current classification seniority date.

The senior employee will be that Department's employee within the line of progression with the earliest relevant seniority date.

- b) Where there is no line of progression or where there are no qualified candidates from the same classification, or the next classification junior, or a classification senior to the vacancy, the senior employee will be that Department's employee who has the earliest department seniority date.
- c) Where there are no qualified candidates from the Department, and for the positions listed in Appendix 2, the senior employee will be that employee with the earliest bargaining unit seniority date.

- d) Notwithstanding the above, vacancies for permanent Clerk A positions shall be bulletined City-wide and clerical applicants (effective January 1, 2007, this includes Cashier/Clerks - Aquatic and Recreation Facilities) shall be ranked by bargaining unit seniority. For purposes of promotion within the Clerical Series, bargaining unit seniority shall be the determining factor for Clerk A applicants.

### **Lateral Transfer**

- 12-3**
- a) Lateral transfers will be allowed only after an employee has spent a minimum of one year in a position or a minimum of two years in a position after a lateral transfer, except where otherwise agreed between the City and the Union. No more than one lateral transfer shall be allowed for each bulletined vacancy, except where otherwise agreed between the City and the Union.
  - b) For purposes of this Article, a lateral transfer is defined as a transfer to a position within the same classification, whether the position is permanent or temporary.
    - i) A temporary employee who is successful to a permanent position in the same classification will not be considered to have made a lateral transfer.
    - ii) An employee who is successful to a lateral transfer, and subsequently is returned to their former position by Management during their probationary period, will not be considered to have made a lateral transfer
    - iii) An employee who is successful to a lateral transfer, and subsequently voluntarily returns to their former position during their probationary period, must remain in their position for a minimum period of one year prior to applying for another lateral transfer.
  - c) Part-time lateral transfers in the Library Services Division are defined in the Letter of Understanding Re: Article 12-3 and Part-Time Employees – Library Services Division.

### **Process**

- 12-4** All vacancies and new positions which are permanent, or which can reasonably be predicted to be long term temporary and which may lead to a permanent appointment to the position, will be filled in accordance with Articles 12-1 and 12-2, by appointment or bulletin, except for vacancies involving reasonable accommodation and temporary vacancies in the classifications listed in Appendix 1.
- 12-5** The Department may appoint the Department's employee who is senior in the next classification junior to the vacancy. If the senior employee declines the promotion, in writing, the next senior employee may be offered the vacancy.
- 12-6**
- a) If a vacancy is not filled according to Article 12-5, the Department will post a City wide bulletin for a minimum period of 14 days. First consideration for filling the vacancy will go to employees of the Department issuing the bulletin in accordance with Article 12-2.
  - b) Positions in Appendix 2 will be bulletined City wide and filled in accordance with Article 12-2 (c).

- 12-7** Vacancies involving reasonable accommodation will be filled in accordance with Article 37 – Reasonable Accommodation.
- 12-8** Temporary vacancies for the classifications listed in Appendix 1 will normally be filled by hiring new employees and such employees will accrue classification seniority.
- 12-9** Employees on vacation or leave of absence including compensation or sick leave must indicate to their Department Head or designate, on a special form provided by the Department that they are interested in any specified vacancies that may occur during their absence. They will then be considered as an applicant for any vacancy in the specified position that may be bulletined in their absence.
- 12-10** Employees in positions which affect their health shall be given preference on application for bulletined positions provided the applicant can meet the requirements as outlined in Article 12-1 and it does not interfere with seniority rights of employees in the group.
- 12-11** Within 15 working days of an appointment, the Department Head shall write to the Union and all applicants to a bulletined vacancy notifying them of the name, department and relevant seniority dates of the successful applicant to the bulletin.

#### **Probation and Seniority Retention**

- 12-12** Employees transferred or promoted within their Department, or from one department to another department, shall retain seniority rights in the position which they held prior to such transfer for a period of six months. During this six month period they may return to their former position at their own request or at the request of Management, if found unsuitable, without loss of seniority or other accumulated rights, except for promotions which may have taken place during their absence and were dealt with in accordance with the provisions of this Collective Agreement.
- 12-13** Employees, who are successful in filling bulletined positions which are listed as temporary, shall retain seniority in the classification from which they came until the position in question either becomes permanent or is eliminated.

#### **General**

- 12-14** The provisions of Article 12 may be further defined by Supplementary Agreement pursuant to Article 10-1 and 10-3. The parties may define lines of progression and may specifically agree, on a position by position basis, that temporary classification seniority is the next grade junior to permanent classification seniority.
- 12-15** Where a temporary position has been filled by an employee for a period of 24 continuous months, a review shall be then undertaken by the City to determine the necessity of the position and whether it should be made permanent, terminated or extended as temporary. The City may only extend a temporary position subject to agreement by the Union.

The City shall prepare a semi-annual report on all temporary positions that have been filled for 24 continuous months. Recommendations for making temporary positions permanent shall be submitted to the Executive Policy Committee by the Chief Administrative Officer.

### **ARTICLE 13 - DISCIPLINE**

Where the parties agree that it is appropriate, in responding to performance or conduct issues, the parties may identify and access resources that are sensitive to the employee's culture and background.

- 13-1** For employees who have not completed their initial six month probationary period, the Department Head or designate will be the sole judge regarding any disciplinary action to be taken after any investigation the Department Head or designate decides is sufficient. The Department Head or designate may terminate probationary employees at his or her sole discretion, provided it is not done in an arbitrary or discriminatory manner. In all cases the employee and the Union will be advised in writing of the reasons for termination.
- 13-2** For employees who have completed their probationary period, the Department Head or designate may temporarily suspend, without pay, the employee pending a full investigation in cases of personal misconduct. In other cases, disciplinary action, including suspension or discharge, will take place only after a full investigation. **[2016]**
- 13-3** The employer shall have the right to discipline any employee for just cause. An employee who considers they have been unfairly dealt with shall have the right to grieve. **[2016]**
- 13-4** An employee shall have the right to Union representation and provided with reasonable notice and Union contact information when the meeting with the employer is for the purpose of discipline. The responsibility to arrange Union representation rests with the employee. **[2016]**
- 13-5** The employee shall be entitled to view their personnel file with 72 hours' notice in writing and will have the right to respond in writing to any documents it contains. Their reply will form part of the permanent record. **[2016]**
- 13-6** No notice or pay instead of notice will be required if an employee is discharged for just cause. **[2016]**

### **ARTICLE 14 - RATES OF PAY**

- 14-1**
  - a) Rates of pay for classifications covered by this Collective Agreement will be listed in the attached Salary Schedule.
  - b) The Salary Schedule may be changed for individual employees or groups of employees as a result of negotiations between the City and the Union and after authorization by Council or the Chief Administrative Officer or designate.
  - c) The rate of pay for temporary, seasonal, part-time and probationary employees will not be less than the minimum for permanent employees in the same classification.
- 14-2** Where there are minimum and maximum salary ranges, employees may progress from minimum to maximum salary by annual increments that are:
  - i) of equal amounts, as noted in the Salary Schedule;

- ii) no less than ten dollars (\$10.00) per month, provided the classification maximum is not exceeded.

**14-3** Employees are eligible for annual increments on the basis of merit. For this purpose, each employee shall be rated on job performance prior to the end of each year. Increments shall be awarded based on satisfactory work performed by the employee during the previous year and upon approval of the Department Head or designate.

**NOTE:** For purposes of Article 14, year shall be as outlined in Article 14-4 and job performance shall be rated as outlined in Article 14-6.

**14-4** a) For temporary employees whose service is interrupted due to lay off and subsequent recall, and for seasonal and part-time employees, a year will be each accumulation of the equivalent of 252 days worked, provided the employee has maintained seniority in accordance with Article 20.

b) For all other employees, a year will be the beginning of the pay period in which their annual anniversary date of hire or promotion occurs. All employees currently eligible for increments in each Pay Period #1 will continue on this basis until promoted. The annual increment date may change from the anniversary date of hire or promotion when adjusted for maternity or parental leave as outlined in Article 14-5(b).

**14-5** a) Twenty weeks or less taken as maternity leave and/or 17 weeks or less taken as parental leave will be considered as time worked with satisfactory performance for increment purposes. However, increments that fall due during this time period will be deferred until the employee returns to work and will not be retroactive.

b) Time in excess of 20 weeks maternity leave and/or 17 weeks parental leave will not be considered as time worked for increment purposes and the employee's annual increment date will be adjusted to reflect this time not worked.

**14-6** Each employee will be rated on job performance prior to the end of each year. These ratings will be the basis of awarding increments and of determining the employee's eligibility for promotion, along with job or aptitude tests, etc. where applicable. Ratings will be conducted as follows:

- i) The Corporate Support Services Department will provide each Department with rating forms and assist the Department in completing them, if required.
- ii) One copy will remain with the Department; one copy will be sent to the Corporate Support Services Department.
- iii) If an employee's general rating is unsatisfactory, the Department Head or designate will discuss the matter with the employee with a view to improving the employee's job performance.
- iv) If any significant factor in the rating is below average, or if there has been a change from the employee's previous rating, the Department Head or designate will discuss the matter with the employee.
- v) Employees have the right to see their rating form if requested of the Supervisor, Department Head or designate.

- 14-7** a) Employees who are successful for a position in a different classification will be paid at the minimum rate for their new classification, except as outlined in Article 14-7(b) or 14-7(c).
- b) If the minimum salary is less than fifteen dollars (\$15.00) biweekly higher than the employee's salary at the time of appointment, and the new classification bears a higher maximum salary, and either:
- i) both the new and prior classifications lie within the same classification series; or
  - ii) experience in the prior classification is directly related to the duties and responsibilities of the new classification, then the employee will be paid at the lowest salary step which does provide an increase of fifteen dollars (\$15.00) biweekly.
- c) The Department Head may decide that a rate of pay in excess of the minimum is warranted, provided the decision is not arbitrary or unreasonable.
- d) The new rate of pay will come into effect on the day the employee assumes the new duties. In cases where the employee is not immediately assuming the duties, the employee shall receive the new rate of pay 60 days after the date of the appointment. In no cases will the new duties be assumed more than 90 days after the date of the appointment. The parties agree that any extension to the timelines will be by mutual agreement.
- 14-8** a) When a Department Head or designate assigns an employee to act temporarily in a higher rated position, the employee shall receive the minimum salary step for the higher rated position immediately. An employee shall be deemed acting if the majority of the duties and responsibilities performed justify and are compatible with the higher rated position.
- b) When employees have acted in a higher rated position with more than one salary step for an accumulated period of one year, they shall be paid at the next higher step for any additional acting, temporary or permanent service in that position.
- c) Employees taking over a lower paid position will continue to receive their former rate of pay unless the change is due to insufficiency of work or inefficiency.
- 14-9** After four months of accumulated service, a Labourer Grade I will be paid the Labourer Grade II rate and a Utility I will be paid the Utility 1 After Four Months Rate.

#### **ARTICLE 15 - PREMIUM PAYMENTS**

- 15-1** a) A shift premium of one dollar and twenty cents (\$1.20) per hour will apply for evening and night shift work, as apart from overtime work, for the full period of the shift, provided that the majority of the hours worked are between the hours of 4:00 p.m. and 8:00 a.m., otherwise no shift premium is paid.
- b) A shift premium of one dollar and twenty cents (\$1.20) per hour will apply for hours worked during the day shift on Saturday and Sunday as apart from overtime work.

- 15-2** Double time rates will be paid to employees performing exhumation or disinterment of graves 50 years old or less.
- 15-3** If a temporary or seasonal employee is sent home due to inclement weather or equipment breakdown, the employee will be paid three hours' pay for reporting to work.

If the employee has commenced work prior to being sent home, two hours' pay will be added to time worked. Total payment shall be at least three hours but shall not exceed the amount that would normally be paid for regularly scheduled hours.

#### **ARTICLE 16 - PAYDAYS AND PAY CHEQUES**

- 16-1** All employees shall be paid by direct deposit and the City shall provide a resource to assist employees in establishing the necessary direct deposit account with a qualifying financial institution of their choice. In the event that an employee is temporarily unable to establish the necessary account before the first payday, the City will pay the employee by cheque at which point the employee will need to ensure they have an account with a qualified institution for any other payments or cheques. **[2016]**
- 16-2** If a payday falls on a public holiday, then wages shall be paid on the preceding working day.
- 16-3** Funds will be available at the commencement of normal banking hours on the designated payday. An itemized statement of earnings and deductions showing the gross and net amounts will be provided. **[2016]**

#### **ARTICLE 17 - HOURS OF WORK**

- 17-1** The regular hours of work for all employees shall be no more than an average of 40 hours per week which shall be based on five days per week at eight hours per day. Wherever possible, the days off per week shall be consecutive but this may be varied by Supplementary Agreement where the efficiency of the Department or Branch requires such variation.
- 17-2** The regular daily hours of work for any employee shall be performed consecutively wherever possible except for the lunch period. In the case of shift workers, the regular hours of work shall be performed consecutively, wherever possible, and shall include a lunch period not in excess of 20 minutes which will be taken as duty requirements permit. This Article may be amended by Supplementary Agreement or by a Letter of Understanding. **[2016]**
- 17-3** The regular hours of work for clerical employees shall be uniform and shall be from 8:30 a.m. to 4:30 p.m., Monday to Friday inclusive, unless otherwise required to meet operational needs and subject to agreement of the Union by Supplementary Agreement or Letter of Understanding.

Notwithstanding the forgoing provisions of Article 17, a flexible work schedule may be established pursuant to the terms of the Letter of Understanding Re: Flexible Working Hours which is appended to this Agreement.

- 17-4** Except for employees engaged in snow clearing operations, the hours of work for the period of a weekly shift shall be constant unless it is impractical to do so.

- 17-5** Upon receiving a request from the Union to look into the feasibility of compressing the work week, in a particular area, the Department receiving the request will commence discussions with the Union within 30 days or such reasonable period thereafter as can be arranged.

## **ARTICLE 18 - OVERTIME**

### **18-1 a) DAY WORKERS**

All time worked before or after the employee's regular work day or regular work week, or on an employee's regular day off or on a public holiday shall be considered overtime. Employees will not be required to work overtime unless impracticable to make other arrangements. Overtime rates will be as follows:

- i) Time and one-half will be paid for the first two hours worked over the regular working time in any one day, and double time thereafter.
- ii) Double time will be paid for Saturdays and Sundays or for work performed by an employee on his or her regular weekly days off.
- iii) Day workers will be compensated at the rate of double time for all work between midnight and 8:00 a.m. In addition, employees required to work overtime immediately prior to, and continuous with, their next regular starting time will be compensated at the rate of double time for the overtime so worked.
- iv) Employees required to work on a public holiday will be paid at double time rates for all hours so worked and, in addition, the employee shall be paid at their regular daily rate of pay for the public holiday in accordance with Article 24-4. The employee shall have the option of converting all or a portion of the time worked at double time rates into compensating time off which may be taken as time off at a time mutually agreeable to the employee and the department.

### **b) SHIFT WORKERS**

All time worked before or after the employee's regular work day or regular work week or on an employee's regular day off shall be considered overtime. Employees will not be required to work overtime unless impracticable to make other arrangements. Overtime rates will be as follows:

- i) Time and one-half will be paid for the first two hours worked over the regular working time in any one day, and double time thereafter.
- ii) Double time will be paid for work performed by an employee on his or her regular weekly days off.
- iii) Employees required to work overtime immediately prior to and continuous with their next regular starting time of their next shift will be compensated at the rate of double time for the overtime so worked.
- iv) Payment of double time rates will be made for overtime work performed by shift workers in excess of their regular scheduled shifts on a public holiday.

**18-2** Employees who are required to work extended overtime periods (i.e. in excess of four consecutive hours of overtime), shall continue work at the double time rate for all subsequent hours worked until a break period of at least eight hours is provided. However, when the break period between "overtime work" and the next regular shift is less than eight hours, the City may defer the starting time, in effect reducing the hours of the next shift, so as to provide the eight hour break. In such a situation, any employee so affected shall receive his or her full salary for the shift.

**18-3** During a period that has been declared by the Mayor to be a civic emergency, all provisions of the Agreement that relate to the scheduling and assignment of work shall be waived and the Union shall be notified immediately.

**18-4 Banked Overtime**

Instead of cash payment for overtime, an employee may choose to receive time off at the appropriate rate, at a time mutually agreed upon by the employee and employer, provided that time off is requested in writing to the appropriate supervisor at least two weeks in advance or less if approved by the employer. If such time cannot be mutually agreed upon, the employee shall be paid the appropriate overtime rate. Overtime may not be carried into the next fiscal year and the maximum number of hours that may be taken in a fiscal year as time off is 80 hours. All other overtime hours shall be taken as pay. **[2016]**

**18-5** For employees who are not notified to return to work until after going home, the rate of compensation shall be time and one-half; however, the minimum compensation will be four hours. Thus, if an employee works two hours on the time and one-half schedule, four hours of compensation will be given instead of three hours.

For employees who are notified to return to work before going home, the rate of compensation shall be time and one-half, providing the break period does not exceed two hours, otherwise the minimum of four hours of compensation shall apply, except where modified by Supplementary Agreement. The four hour provision shall not apply to employees who are notified prior to going home to report for work immediately prior to their normal starting time.

**18-6** Rearrangement of shifts to take care of unavoidable contingencies will not entitle a shift employee to compensating time until he or she is required to work in excess of the regular number of shifts per week. However, if an employee's shift is rearranged and it does not provide him or her with at least eight hours between shifts then, for the first day of such shift change, he or she shall be compensated at overtime rates.

Except in the case of temporary employees, whenever possible, 12 hours of notice shall precede such shift rearrangement, otherwise a minimum payment of four hours will be made to an employee who reports to work for his or her regular shift and is sent home due to shift rearrangement. **[2016]**

**18-7** When a day worker is temporarily engaged on shift work for a period of less than one week and is required to work on a statutory holiday, a Saturday or a Sunday, the day worker will be compensated at the rate of double time for working said statutory holiday or Saturday or Sunday.

**18-8** When necessary, the Department may establish additional shifts for one week or longer on prevailing weekly hours of work at straight time rates, plus shift premium, where

applicable. Except for employees engaged in snow clearing operations, the hours of work for the period of a weekly shift shall be constant unless it is impractical to do so.

**18-9** Transportation within the metropolitan area of Greater Winnipeg will be furnished by the City to and from work when other forms of transportation are not available.

**18-10** An employee required to work overtime for a period in excess of two hours immediately following his or her regular hours of work shall be granted ten dollars (\$10.00) as lunch money provided he or she is unable to go home and adequate lunch is not provided by the Department. In isolated areas, reasonable delivery charges, as determined by the Department Head, shall be paid. In an emergency situation, an employee called to work and required to work in excess of one hour of overtime immediately prior to his or her regular hours of work shall be granted ten dollars (\$10.00) as lunch money. Lunch money shall be paid no later than the pay period following the pay period in which the overtime was worked.

**18-11 No Lay Off to Compensate for Overtime**

An employee shall not be required to lay off during regular hours to equalize any overtime worked.

**18-12 Sharing of Overtime**

When overtime work is required, the City agrees to the dividing of hours of overtime, where practical, among employees who normally perform the available work.

**18-13 Minimum Overtime**

The City shall endeavour to keep overtime to a minimum.

**18.14 Public Emergency**

In the event that City employees are required to respond to a public emergency, and where the City is able to recover payment for this service, employees must take overtime as payment, i.e. employees will not have the option of banking this time.

**ARTICLE 19 - NOTICE OF LAY OFF AND REDUCTION IN HOURS OF WORK**

**19-1** Reduction in the regular working hours of any group of permanent employees shall not be put into effect until the non-permanent employees in that group have been laid off.

**19-2** Should it be necessary to lay off a permanent employee through insufficiency of work, one month's notice in writing shall be given by the Department Head. This Clause can be amended by Letters of Understanding or Supplementary Agreement.

**19-3** A permanent employee, desiring to leave the service of the City shall, unless excused therefrom by the Department Head, give 60 days' notice thereof in writing. The City and Union agree that in all cases it is beneficial for employees to give as much notice as possible.

**19-4** Temporary employees may be laid off due to insufficiency of work at any time without previous notice. As much prior notice as possible will be given before any lay off.

- 19-5** In the case of permanent employees being laid off or exercising their seniority rights to bump, their bargaining unit seniority date shall be used to determine lay off or bumping rights.

The process for downsizing is dealt with in the Letter of Understanding Re: Redeployment attached to and forming part of this Agreement.

- 19-6** Excess employees in one section may not be transferred to another section if by such transfer there will be caused a reduction in the regular working hours of the permanent staff due to insufficiency of work.
- 19-7** The number of employees in any department shall be at the discretion of the City.
- 19-8** Temporary employees who have worked full-time for at least two years, and permanent employees will have their rate of pay protected at the rate of their regular classification if they bump in accordance with the bumping process as defined in the Letter of Understanding Re: Redeployment or are redeployed into a classification with a lower rate of pay.

Salary protection will take the form of present incumbent only status for a period of two years, followed by red circling.

Present incumbent only means that the employee's rate of pay shall be fixed at his or her current step in his or her former salary range, and he or she shall receive full negotiated salary increases/decreases applied to that step in that salary range.

Red circling means an individual's rate of pay remains at the current increment level and that individual will receive 50% of the economic increases until such time as the salary paid falls within the salary range of the new position. However, it is understood that in the event of any salary decrease, the full amount of that decrease will be applied to the salary paid.

## **ARTICLE 20 - SENIORITY**

### **20-1 Probation of Newly Hired Employees**

New employees hired into a position shall be required to serve a six calendar month continuous service probationary period from the date of hire into that position before obtaining permanent status. Any employee not permanent will have their probation term as 1,040 regular hours' served. **[2016]**

The employer has full rights to discharge probationary employees if, in the opinion of the employer, they do not meet the standards required of them by the employer. **[2016]**

During the probation period, such employees shall be entitled to the rights and benefits as specified in this Agreement except with respect to discharge. Employment of a probationary employee may be terminated during the probation period without recourse to the grievance procedure unless the Union claims discrimination as the basis of termination. **[2016]**

All permanent employees shall be evaluated in writing at the end of the probationary period. A copy of the evaluation shall be given to the employee. **[2016]**

For the purposes of this Article, an employee's service must be in one department. It will be the accumulation of time for their assigned work, exclusive of overtime, worked over a maximum of three calendar years. After establishing seniority, employees must work in excess of the equivalent of 63 work days each year to maintain seniority. **[2016]**

## **20-2 Loss of Seniority**

An employee shall not lose seniority if he/she is absent from work because of sickness, accident, layoff, or leave of absence approved by the employer.

An employee shall lose his/her seniority in the event of one of the following:

- a) He/she is discharged for just cause and is not reinstated;
- b) He/she resigns in writing;
- c) He/she terminates his/her employment by being absent from work in excess of three days without sufficient cause or without notifying the employer unless such notice was not reasonably possible; and
- d) He/she is laid off for a period longer than eighteen months. **[2016]**

**20-3** Employees shall be recalled to work in order of seniority. Any employee who has been laid off and fails to report for work when notified shall lose his or her seniority rights unless such failure to report is due to sickness, compassionate or other grounds considered justifiable by the Head of the Department. This provision shall not apply where intermittent work of short duration is involved.

**20-4** Employees laid off shall retain seniority ranking for re-employment for 20 months after lay off, notwithstanding the provision for 63 days of work per year, unless they are offered employment and are not available or do not accept. If an employee's availability is affected by reason of sickness, compassionate, or other grounds considered justifiable by the Department Head, he or she shall not lose his or her seniority. This does not apply in the case of a dismissal.

**20-5** Seniority of employees in all positions covered by this Agreement shall be established after a probationary period and shall count from date of employment in the classification. This Clause shall also apply to employees promoted pursuant to Article 12. **[2016]**

**20-6** Except for those classifications listed in Appendix "1", the only positions which entitle employees to classification seniority are permanent or long term temporary which may become permanent (or other temporary positions specifically agreed to, in writing, by both parties) that have been filled in accordance with Article 12.

**20-7** In cases where an employee has been recommended for promotion by the Department Head and such promotion is granted, and the transfer is delayed due to difficulty of replacement, the seniority of the affected employee shall commence on the date recommended in the Department Head's recommendation. In all other cases, seniority shall commence on the date the new duties are assumed.

**20-8** For the purpose of this Article, service of a "transferred employee" shall be considered as service from the date of commencement of employment with the former employer.

- 20-9** Apprentices, upon completion of their apprenticeship, will be credited with three months of Journeyman seniority per year of apprenticeship with the City up to a maximum of 12 months credit.
- 20-10** An employee's service date (not seniority date) will be adjusted for the purposes of benefit entitlement, to reflect periods of absence from the workplace except in the following instances:
- Sick Leave with Pay
  - Sick Leave without Pay
  - Long Term Disability
  - Union Leave of Absence with Pay
  - General and Education Leave (as per Article 35-10) Under One Month
  - Unpaid Union Leave (as per Article 35-1[a]) Under One Month
  - Workers Compensation
  - Maternity Leave (of 20 weeks in duration or less)
  - Parental Leave (of **37** weeks in duration or less) **[2016]**
  - P.I.P.P. Leave.
- 20-11** Employees who are successful for promotion or transfer to a CUPE Exempt position and successfully complete the probationary period specified in Article 12-12 of the Agreement shall retain their seniority in the bargaining unit to the date of leaving the unit.
- 20-12** Employees who are promoted or transferred to a position within another civic bargaining unit shall retain their seniority to the date of leaving the unit for a maximum period of six months or such other period as may be agreed to by the City and the Union. Alternatively, and at the sole discretion of the Department Head, employees may retain their seniority to the date of leaving the unit for a maximum period of 24 months provided their position is backfilled and CUPE union dues are paid during the period of their absence.

## **ARTICLE 21 - SENIORITY LISTS**

- 21-1** On or before March 31<sup>st</sup> of each year the City shall provide the Union with Departmental Seniority Lists as at January 1<sup>st</sup> for all employees for whom the Union is certified to bargain.
- 21-2** Departmental Seniority Lists shall contain the following information:
- 1) Name of Employee
  - 2) Branch
  - 3) Classification
  - 4) Classification Seniority Date
  - 5) Department Seniority Date
  - 6) Bargaining Unit Seniority Date
- 21-3** Departmental Seniority Lists shall be made available for employees' review.
- 21-4** Upon written request of the authorized Union Representative, the City will provide a reasonable number of additional Seniority Lists.

## **ARTICLE 22 - SICK PAY REGULATIONS**

### **22-1 Sick Leave Defined**

Sick leave means the period of time an employee is absent from work with full pay by virtue of being sick or disabled or under examination or treatment of a physician, chiropractor, dentist or physiotherapist or because of an accident for which compensation is not payable under the Workers' Compensation Act.

### **22-2 Notification of Employer**

Every employee shall notify or cause someone on his or her behalf to notify the Department or Branch without delay and whenever possible prior to the start of his or her shift if he or she is unable to report for any reason outlined in Article 22-1. Employees attending pre-scheduled medical appointments shall provide at least 24 hours of advance notice to their Department or Branch.

### **22-3 Annual Paid Sick Leave**

At the beginning of each year every permanent employee will be credited with 15 sick day credits. Temporary, seasonal, part-time, and probationary employees will be credited with or be entitled to sick pay credits on the basis of 1¼ days per month worked, but will, however, only be eligible for sick pay after working 126 days, but at that time will be entitled to 1¼ days per month worked from the date of their commencement of employment.

Temporary, seasonal, and part-time employees will lose eligibility and accumulated sick benefits if they do not work in excess of 63 days in each calendar year, or if they do not make themselves available for work offered by the City.

When temporary or probationary employees are made permanent, the sick time available to them shall be calculated on the same basis as if they had been permanent throughout the period of their employment, providing they have retained eligibility as outlined above.

### **22-4 Accumulation of Sick Leave**

The unused portion of an employee's sick leave shall accrue for his or her future benefit.

### **22-5 Deductions from Sick Leave**

Where possible, employees will schedule medical appointments in order to minimize time loss from work.

- a) A deduction shall be made from accumulated sick leave of all normal/scheduled working days absent for sick leave. No deductions from sick leave will be made for periods of two hours or less, to a maximum of six such absences per calendar year.

For employees working at Hadashville and Ross, if any of the six absences as noted above involves a medical appointment in Winnipeg, no deductions shall be made for periods of four hours or less. **[2016]**

For employees working at Shoal Lake, if any of the six absences as noted above involves a medical appointment in Winnipeg, no deductions shall be made for periods of eight hours or less. **[2016]**

- b) Part-time employees shall have no deductions made from their sick leave for periods of two hours or less based on the following:
  - i) A seven hour day employee that has worked 21 hours a week or more on average, or an eight hour a day employee that has worked 24 hours a week or more on average shall be entitled to a maximum of six such absences each calendar year.
  - ii) Part-time employees that work less than the hours set out under Subsection (i) above shall be entitled to a maximum of three such absences each calendar year.
- c) An employee who has had accumulated sick credits and subsequently used all his or her credits will be entitled to the benefit of this Article regarding absence for two hours or less, or four hours or less at Shoal Lake, Hadashville and Ross, to the maximums noted above.

## **22-6 Proof of Illness**

Management may require an employee, on returning to work, to produce a certificate from a medical practitioner certifying that he or she was unable to carry out his or her duties due to illness. Such certification may be subject to review by the City's medical practitioner(s).

In addition, employees absent due to extended illness may be required to produce a medical certificate including, where possible, the estimated date of return of the employee. Employees shall not ordinarily be required to provide any additional medical certificate prior to return to work except in the following circumstances:

- 1) once every 20 days where no estimated date of return can be provided;
- 2) where the absence exceeds the estimated date of return.

## **22-7 Sickness While on Vacation**

Where an employee on vacation becomes ill to the extent that he or she requires the services of a medical practitioner or licensed chiropractor, provided such illness is shown to be in excess of three days, such employee shall be allowed to use his or her sick leave credits for the period the medical practitioner or licensed chiropractor states he or she would have been unable to carry out his or her duties at work.

## **22-8 Illness of Family Members**

An employee shall be allowed to utilize a maximum of three days per year of accumulated sick leave credits for the purpose of providing care for his or her spouse, child who is ill, including step-child and child of a registered common-law spouse, parents, step-parents and parents-in-law, grandchildren, legal guardian or a person for whom the employee is the primary caregiver and permanently resides in the same household.

Use of this provision shall not be considered part of the employee's personal attendance record. The parties agree that use of illness of family members will be as defined in Article 22-1 and subject to the terms and conditions specified in Article 22-13.

In the case of shift workers working in excess of eight hour shifts, one day constitutes all regular hours worked during a 24 hour period.

## **22-9 Sick Pay at Lay Off and Recall**

When an employee is laid off on account of lack of work he or she shall not receive sick leave credits for the period of such absence, but shall retain his or her cumulative credit, if any, existing at the time of such lay off. In cases where an employee is off work due to sickness and in receipt of sick pay, he or she shall be notified by the Department, in writing to his or her last known address, of the fact that his or her seniority group has been laid off and his or her sick pay stopped as of the particular date. The reverse procedure will also apply. When an employee is called back to work and cannot do so due to illness, he or she can start using any sick leave credits he or she may have accrued. This provision will not apply to intermittent work of a short duration, i.e. one week or less.

## **22-10 Severance Payments**

Upon (i) retirement (ii) death (iii) termination of service caused by transfer of a departmental function either in total or in part from the City to another administration, an employee shall be entitled, or his or her estate shall be entitled, as the case may be, to receive payment or pre-retirement leave of an amount equivalent to the total outlined as follows:

a) Employees hired prior to February 8, 1995 shall be entitled to receive a severance payment calculated as follows:

- i) 25% of all unused sick credits earned as of January 1, 1995 (this will include the 15 days credited to permanent employees on January 1, 1995).

In addition, a severance payment calculated as follows:

- ii) One day of pay per year of service for the first 15 years of service;

plus

Two days of pay per year of service from Year 16 and beyond.

b) Employees who are hired by the City after February 8, 1995 shall be entitled to receive a severance payment calculated as follows:

One day of pay per year of service for the first 15 years of service;

plus

Two days of pay per year of service from Year 16 and beyond.

For temporary, seasonal and part-time employees, one year of service shall be equal to the accumulation of 252 days worked.

**22-11 Sick Leave Without Pay**

Sick leave without pay shall be granted to an employee who does not qualify for sick leave with pay, or who is unable to return to work at the termination of the period for which sick leave with pay is granted.

**22-12 Use of Overtime or Compensating Time**

After he or she has exhausted all sick leave credits, an employee, upon submitting a written request to his or her Department Head, may use, for bona fide sick leave purposes, any overtime or compensating credits or vacation credits available to him or her.

**22-13 Abuses of Sick Leave**

The City and the Union agree that suspected abuses of sick leave will be investigated and proven instances of abuse will result in disciplinary action being taken against the employee.

**22-14** Upon request to his or her immediate supervisor, the employee's sick leave record will be made available for him or her.

**22-15 Sick Pay Supplement for Rehabilitative Employment**

If, as a result of illness or accident, an employee is unable to perform the normal functions of his or her position, but is, however, capable of performing in an alternate position which the City is prepared to make available to the employee, the following shall apply:

- a) Upon medical certification satisfactory to a Medical Health Officer designated by the City, the employee will be assigned to the alternate position at the appropriate rate of pay for that position.
- b) The employee shall be entitled on a biweekly basis, to utilize accrued sick credits to supplement his or her rate of pay in the alternate position; but the combination of sick pay supplement and rate of pay in the alternate position shall not exceed the regular rate of pay in his or her former position.
- c) These sick pay supplements shall cease as soon as the employee qualifies for disability benefits.

**22-16 Integration of Manitoba Public Insurance Corporation P.I.P.P. Benefits with Sick Leave Benefits**

The City of Winnipeg and the Canadian Union of Public Employees, Local 500 agree that as a result of the introduction of the Personal Injury Protection Plan (hereinafter referred to as "P.I.P.P.") by the Manitoba Public Insurance Corporation, any employee covered by this Agreement who is in receipt of benefits under the P.I.P.P. Program and who chooses to concurrently claim sick leave benefits under the provisions of Article 22 – Sick Pay must integrate and coordinate those benefits to ensure that the total benefits provided under both Programs do not exceed 100% of net take home pay. This integration and coordination of benefits shall occur in the following manner:

The total value of income top up provided under Article 22 shall be charged against the employee's accumulated sick leave. Should the employee not have sick credits to their standing at the time of application for the integration and coordination of benefits, they shall be entitled to utilize other available credits to provide top up in accordance with Article 22-12. An employee who has exhausted all overtime, compensating or vacation credits shall be entitled to only those benefits provided under P.I.P.P.

For the integration and coordination of benefits to occur an employee must be injured in an automobile accident and as a result of their injury be unable to perform the duties of their normal classification and are therefore eligible to receive sick pay benefits.

Employees will be required to release all necessary information regarding the benefits received under the P.I.P.P. Program, prior to the coordination of benefits, to ensure that benefits are calculated and provided in accordance with the above. Employees who fail to provide the information necessary to coordinate these benefits shall not be entitled to receive any sick pay top up. Should an employee collect benefits under the P.I.P.P. Program and simultaneously claim for and receive full sick pay benefits, where the value of P.I.P.P. benefits and sick leave benefits exceeds 100% of net take home pay, the City will be entitled to recover the full value of all sick pay benefits that when coordinated with P.I.P.P. benefits exceeded 100% of net take home pay. The Union shall be consulted prior to the commencement of the recovery of excessive benefits.

Employees who choose to integrate P.I.P.P. benefits with paid sick leave shall be entitled to receive all other benefits set out under this Agreement during the period that 100% of net take home pay is provided under this Agreement, for a maximum period of six months or until approved for disability benefits through the Employee Benefits Board.

Employees receiving such benefits shall be advised by the City within 30 days of having their P.I.P.P. and sick pay benefits integrated and coordinated, that they may apply for disability benefits through the Employee Benefits Board.

Further, the City and CUPE agree to establish a joint work group consisting of no more than two representatives appointed by the City and no more than two representatives appointed by CUPE, responsible for developing processes and calculations that will ensure the proper and accurate calculation and payment of sick pay top up to 100% of net take home pay.

## **ARTICLE 23 - COMPENSATION FOR INJURIES**

**23-1** In all cases where compensation for loss of wages is paid by the Workers' Compensation Board on account of injury to employees, the employees shall be allowed compensation as follows:

- a) During the time they are totally incapacitated, to the extent of their net pay as of the date of their injury, and as such net pay for the classification changes from time to time thereafter; and shall reflect the non-taxable status of payments attributable to Workers' Compensation benefits.

However, in cases where employees are receiving compensation as outlined above and their seniority group is laid off, employees shall be entitled only to those benefits provided under the Workers' Compensation Act.

In the event that legislation is passed which makes Workers' Compensation benefits taxable, it is agreed that the full salary provision would be reinstated.

- b) Where employees are not totally incapacitated and therefore employable, and are offered suitable employment within the City, procured for them by the City, in an amount sufficient to bring the salary of the position offered up to that in (a) above. In the event of a dispute the suitability of the employment offered shall be determined by the Appeal Board as defined in Article 1. Should the Board rule that the employment offered is suitable and the employee still does not accept the position, all supplementary payments from the City shall cease.
- c) Where as a result of a work-related injury/illness, employees are deemed entitled to Workers' Compensation benefits under this Article and subsequently apply for, and are approved for, Canada Pension Plan disability benefits for the same compensable injury/illness, the City will be allowed to reduce the pay provided in (a) above by the amount of monthly disability benefits received by employees from the Canada Pension Plan (the integration of benefits). This will not include any disability benefits received by employees which, due to a delay in adjudication by the Canada Pension Plan, were paid retroactively.

Employees, upon making application for Canada Pension Plan disability benefits, shall immediately provide written notification to the City of their application and, at the same time, will authorize the release of information from the Canada Pension Plan to the City by submitting a completed disclosure form available from their Department Head. Failure to provide notification of an application for benefits and a completed disclosure form shall entitle the City to suspend the payment of Workers' Compensation benefits until proper documentation is provided and to recover any overpayment made to employees as a result of their failure to provide notification and authorization of disclosure.

Employees, upon receiving approval for Canada Pension Plan disability benefits, shall immediately notify the City upon receipt of said approval in order to facilitate the integration of benefits in accordance with the above. Failure to do so shall entitle the City to suspend payment of Workers' Compensation benefits and to recover any overpayment made to employees by the City as a result of their failure to provide such information.

The City agrees to waive the application of Paragraph (c) for those employees who were in receipt of both Workers' Compensation and Canada Pension Plan disability benefits prior to February 8, 1995. This integration of benefits will apply only to employees granted Canada Pension Plan disability benefits after February 8, 1995.

- d) Payments by the City under Paragraphs (a) and (b) hereof shall be made only until such time as said employee is in receipt of disability pension under the City's Pension By-Law.

**23-2** No payment shall be made under Article 23-1 for any period unless the Workers' Compensation Board grants compensation therefore.

**23-3** The City agrees that notwithstanding any article to the contrary in this Agreement and without prejudice to its rights and legal liabilities in cases where employees are off work due to an injury received in the course of their employment, employees may, upon application, which shall be accompanied by medical certification when requested, be provided with an interim payment on their regular payday at the regular rate, provided the amount does not exceed the value of their accrued sick leave credits. In the event

employees have exhausted their sick leave credits, then they may similarly use accumulated vacation credits. If the Workers' Compensation Board accepts the claim, the employees' sick leave records and/or accumulated vacation credits shall be credited with the number of days for which payment was authorized by the Board.

- 23-4** Neither the Union nor the City condones abuses of Workers' Compensation benefits. The Union and the City jointly support the placement of employees requiring accommodation in accordance with the provisions of Article 37 – Reasonable Accommodation.
- 23-5** Employees in receipt of Workers' Compensation benefits shall receive all the benefits of this Agreement for a period of one year. After one year, such employees will receive only the following benefits: pension, group insurance, dental coverage, vision care, accumulation of seniority, accumulation of service for vacation qualification, but not vacation credits, accumulation of service for long service pay qualification, but not long service payment.

If any of the above holidays should fall on a Saturday or Sunday, in the case of those employees who would not normally work that Saturday and/or Sunday, or who do not regularly work on public holidays, the holiday shall be observed on the first following working day or as mutually agreed between the City and the Union.

### **24-3 Public Holiday Falling During Vacation**

When the public holiday comes in the course of an employee's regular annual holidays, an extra day shall be allowed at a time within the discretion of the Department Head.

#### **24-4 Public Holiday Falling on Scheduled Work Day and/or Employee's Day Off**

When a statutory holiday falls on an employee's day off, he or she shall receive a day off with pay in lieu. However, in the case of those shift workers whose regular work day falls on a holiday and who, in fact, work on that public holiday, compensating time off at the rate of double time will be granted or an employee can request to be paid. One week of such compensating time for working public holidays shall be made continuous with the regular holidays if the Department Head can make the necessary arrangements. In addition, a second week of compensating time off shall be granted at a time mutually convenient to the employee and Management. **[2016]**

Furthermore, all such employees shall, apart from the compensation outlined above for regular work days falling on a holiday, have compensating time credits separate and apart from overtime, equivalent to the balance of the number of public holidays per year. When provided by Supplementary Agreement, the public holidays in excess of the one week which has been added to the regular holidays may be paid for. Time off in lieu of statutory holidays shall be granted at a time mutually convenient to the employee and Management. In cases where time off is not arranged prior to December 31<sup>st</sup> of any year, payment shall be made within 30 days following. Except in cases of unforeseen circumstances, once such time off is agreed to it shall not be altered or cancelled unless by mutual agreement between the employee and Management.

Notwithstanding the provisions outlined above, any employee whose working hours are less than as outlined in Article 17 of this Agreement, and who does work on a public holiday, shall be entitled to compensation for work performed on the public holiday as follows:

- a) Where employees have earned wages for part or all of each day of at least 12 days during the 30 calendar days immediately preceding the public holiday, then they shall be paid at a rate of double time for all hours worked on the public holiday and, in addition, they shall be paid their regular pay for the general holiday.
- b) Where employees have not earned wages for part or all of each day of at least 12 days during the 30 calendar days immediately preceding the public holiday, then they shall be paid at a rate of double time for all hours worked on the public holiday.

- d) Notwithstanding the provisions outlined above, employees, whose working hours are less than as outlined in Article 17 of this Agreement, and who do not work on a public holiday, shall not be entitled to compensation for the public holiday unless they have earned wages for part or all of each day of at least 12 days during the 30 calendar days immediately preceding the public holiday.

- a) Employees desiring to observe recognized religious holidays will be allowed up to two days' time off with pay through one of two options:
  - i) time off in lieu of Easter Monday or Boxing Day; or
  - ii) mutually agreed to alternate arrangements.
- b) Employees choosing to substitute religious holidays for Easter Monday and/or Boxing Day will, where practical, be allowed to work in their regular job classification and work location. Where this is not practical, employees may be redeployed to a position they are qualified for at a suitable work site. Redeployed employees will receive their regular rate of pay.
- c) Employees choosing alternate arrangements will, through discussions with their supervisor, establish a practical and mutually agreed upon approach necessary to substitute their chosen religious holidays, to a maximum of two working days.
- d) Written requests for either days in lieu of or for alternate arrangements must be submitted to the Department Head specifying the request at least 30 days prior to the religious holiday(s) to be observed.
- e) Employees desiring to observe additional recognized religious holidays will be permitted time off on the basis of a leave of absence without pay or deduction from accrued overtime or vacations. Employees shall submit a written request to the Department Head specifying the date(s) at least 30 days prior to the religious holiday(s) and indicate on what basis the time off is to be taken.

#### **24-7 Public Emergency**

In the event that City employees are required to respond to a public emergency, and where the City is able to recover payment for this service, employees shall not have the option of taking compensating time off. All compensation due for working on a Public Holiday must be taken as payment, i.e. employees will not have the option of banking this time.

### **Step 1**

Within 15 working days of the event in question or the consequences of the event in question or from the time employees should reasonably have known of the occurrence of the event upon which the grievance is based or consequences thereof, the employees shall, with the assistance of a representative of the Union, if they so desire, take up the matter with their immediate Supervisor.

The parties will approach the resolution of grievances in a problem solving manner. For that purpose, any discussions and/or resolution of the grievance at this stage will be "without prejudice" to either party and will not be used and/or relied on by the parties at subsequent steps of the grievance process and/or at other grievance proceedings between the Union and the City. To that end, the Supervisor shall consult as he or she deems necessary and shall render his or her decision within five working days of such consultation.

### **Step 2**

Failing satisfactory settlement in Step 1, the Grievance Committee of the Union, or a staff representative of the Union shall, within 15 working days from the date the grievance was taken up with the immediate Supervisor, submit to the Department Head a written statement of the particulars of the grievance and redress sought with a copy to the Labour Relations Coordinator.

The Department Head or designate shall render his or her decision, in writing, with reasons, within 15 working days after receiving the grievance.

It is agreed by the Union and the City that written reasons are provided by the Department Head or designate for purposes of resolving grievances and are provided on a "without prejudice" basis.

### **Step 3**

The parties agree that where satisfactory settlement is not reached in Step 2, the grievance may be processed further either under Step 3-A or under Step 3-B.

#### **Step 3-A**

The parties agree, for purposes of expediting the final resolution of grievances, that they may rely on the following procedures, or on the expedited arbitration provisions of the Labour Relations Act.

- a) Failing satisfactory settlement of the grievance at Step 2, the Union shall, within 45 working days from the date the decision of the Department Head was received by the Union, refer the grievance to arbitration. The Union shall notify the City by registered mail.

- b) Where arbitration is proceeded with on an expedited basis, in accordance with this Article, the Arbitrator will be appointed on a rotating basis from a list of five mutually agreed to arbitrators, which List of Arbitrators is attached to the Collective Agreement as Appendix "3".
- c) The List of Arbitrators is to be maintained and utilized as follows:
  - i) annually, any substitutions that are required will be made by mutual agreement of the parties no later than January 30<sup>th</sup>;
  - ii) unless the parties agree otherwise, the Arbitrator appointed to hear the grievance will be in accordance with the order of arbitrators on Appendix "3".
- d) It is the intention of the parties that in most instances legal counsel will not be used by the Union or the City at expedited arbitration. However, either the Union or the City may utilize counsel at arbitration upon providing the other party with written notice within 10 days of the Union informing the City of its intention to proceed to arbitration.

### **Step 3-B**

Failing satisfactory settlement being reached in Step 2, the Union shall, within 45 working days from the day the decision of the Department Head was received by the Union, refer the grievance to arbitration in accordance with Article 32.

- 31-2** Notwithstanding the procedural steps above, where circumstances giving rise to the grievance concern a transfer or promotion to another branch or department, the Grievance Committee of the Union or a staff representative of the Union may within 15 working days of when the employee was advised in writing that he or she was not receiving the transfer or promotion, make an initial submission in writing to the Branch or Department Head concerned. Failing satisfactory settlement being reached, the grievance would proceed to Step 3 above.

In addition, notwithstanding the time limits specified above, longer time periods may be substituted therefore by mutual agreement.

- 31-3** All conferences between the Union personnel and the City administrative staff, referred to in the above outlined grievance procedure will be held by appointment during regular working hours without loss of time to employees.
- 31-4** It is further agreed that at the request of the Grievance Committee, the Union Representative will be called in on any dispute that may be the subject of negotiations.
- 31-5** If it is found by either the Department Head or the Chief Administrative Officer or designate, that an employee has been unjustly discharged or dealt with, such employee may be reinstated under terms and conditions set by the Department Head, the Chief Administrative Officer or designates.
- 31-6** The City agrees to recognize the Grievance Committee of this Union and its representatives as the sole representatives of the employees covered by this Agreement, but this will not prevent any employee from applying to be heard on his or her own behalf in any negotiations under this Section.

- 31-7** An accredited steward will be recognized on behalf of the employees whom he or she represents by the immediate superior of such employees, and failing satisfaction, by the more responsible officials in turn, to the Department Head.
- 31-8** The Union and its representatives may originate a policy grievance on behalf of an employee or group of employees, and to seek adjustment with the City in the manner provided in the grievance procedure. Such a grievance shall commence at the Department Head level.

## **ARTICLE 32 - ARBITRATION**

### **32-1 Composition of Board of Arbitration**

When either party requests that a grievance be submitted to arbitration, the request shall be made by registered mail addressed to the other party of the Agreement.

Where subsequently, both parties agree in writing, the Board of Arbitration shall consist of a single arbitrator.

In the event either party does not agree to a single arbitrator or in the event the two parties are unable to agree on an individual to serve as a single arbitrator, within 15 days of receipt of notification by registered mail specified above, the party originating the arbitration request shall notify the other party by registered mail, the name of its nominee on an arbitration board. Within 15 days thereafter, the other party shall answer by registered mail indicating the name and address of its appointee to the Arbitration Board. The two Arbitrators shall then meet to select an impartial chairperson.

### **32-2 Failure to Appoint**

If the recipient of the notice fails to appoint an arbitrator, or if the two appointees fail to agree upon a chairperson within seven days of appointment, the appointment shall be made by the Minister of Labour, upon the request of either party.

### **32-3 Board Procedure**

The Board may determine its own procedure, but shall give full opportunity to all parties to present evidence and make representations to it. It shall hear and determine the differences of allegations and render a decision within 10 days from the time the Chairperson is appointed.

### **32-4 Decisions of the Board**

The decision of the majority shall be the decision of the Board. Where there is no majority decision, the decision of the Chairperson shall be the decision of the Board. The decision of the Board of Arbitration shall be final and binding and enforceable on all parties, but in no event shall the Board of Arbitration have the power to change this Agreement or to alter, modify or amend any of its provisions. However, the Board shall have the power to dispose of any discharge or a discipline grievance by any arrangement which, in its opinion, it deems just and equitable.

**32-5 Disagreement on Decision**

Should the parties disagree as to the meaning of the decision, either party may apply to the Chairperson of the Board of Arbitration to reconvene the Board to clarify the decision.

**32-6 Expenses of the Board**

Each party shall pay:

- 1) the fees and expenses of the arbitrator it appoints
- 2) half the fees and expenses of the Chairperson.

**32-7 Amending of Time Limits**

The time limits fixed in this arbitration procedure may be extended by consent of the parties to this Agreement.

**32-8 Witnesses**

At any stage of the grievance or arbitration procedure, the parties may have the assistance of the employee(s) concerned as witnesses and any other witness, and all reasonable arrangements will be made to permit the conferring parties or the arbitrator(s) to have access to the employer's premises to view any working conditions which may be relevant to the settlement of the grievance.

**ARTICLE 33 - CHECK OFF**

- 33-1** The City agrees to the compulsory check off of union dues on a biweekly basis for all employees covered by this Agreement as provided in the Rand Formula and subject to all the terms and conditions set out in the said Formula so far as the same can be made applicable to this Agreement. The said deduction of union dues will be forwarded forthwith to the Union.

The City agrees that it is to the mutual benefit of both the City and the employee to improve the educational standards of the workforce. Accordingly, the City shall, wherever practical, permit employees with five or more years of seniority up to one year of educational leave without pay. Approval for general or educational leave will not be withheld unreasonably.

### **35-11 Job Sharing**

The City and the Union jointly affirm that programs which encourage employees to retain their employment with the City are of mutual benefit. One method of ensuring that this occurs is a formal job sharing arrangement.

Job sharing provides a systematic method of restructuring full-time work in order to accommodate the particular needs of employees (these include child care and further education), and provides the organization with an opportunity to retain skilled employees who might otherwise be forced to resign from their jobs.

## **Section One - General Terms and Conditions**

- 1.01** Requests for job sharing will be employee initiated through the Department Head and will be granted at the discretion of the Department Head. If the employee wishes to job share, the employee is responsible for finding a job sharer.

Positions filled through job sharing must lend themselves to this type of staffing arrangement.

- 1.02** Prior to any individual job sharing arrangement being confirmed, it must receive the concurrence of the Union.
- 1.03** Only employees who have completed their probationary period within their existing position and are qualified to carry out the duties of the job share position shall be considered for job sharing.
- 1.04** Applicants for job sharing must be in positions of the same classification. (Any exceptions to this will be by mutual agreement between the City and the Union.) The job to be shared must be currently held by one of the incumbents requesting job sharing. No one job sharer shall own the position after the job share agreement has commenced. If an employee has obtained permanent status prior to job sharing, the permanent status will be retained.
- 1.05** A participant in the job sharing program must provide at least 60 days' notice of intention to terminate employment with the City of Winnipeg.

In job sharing arrangements of one year or less, job sharers and Department Heads must provide at least one month's written notice of their intention to withdraw from the arrangement. In such instances, job sharers shall be returned to the position they occupied prior to the start of the job share. Should that position be eliminated during the employee's job share arrangement, the employer shall notify the employee and the employee shall exercise his or her rights as though he or she had remained in the job.

Job share arrangements which have been renewed and have continued for longer than one year will require 90 days written notice of withdrawal from the job sharers or the Department Head. Upon the conclusion of these longer job share arrangements, job sharers shall be returned to a comparable position at not less than the same wages. Should a comparable position not exist, the employees will be entitled to exercise their seniority rights.

When one of the job sharers resigns from the job share position or is promoted, the position will be offered to the other employee on a full-time basis, except where that employee was previously a part-time or seasonal employee, or from another Department, in which case that remaining employee will revert to their former position unless another employee from the same Department agrees to job share in that position (and in accordance with Section 1.01).

- 1.06** An employee wishing to continue job sharing has the responsibility to find a job sharer and must initiate a new request to job share. That remaining employee must carry out the duties of the position on a full-time basis until such time as another job share partner is found.
- 1.07** In the event an employee wishing to job share is unsuccessful in locating a qualified partner, the Department Head shall bulletin the job share position upon request from the employee. The bulletin would be City wide with hiring preference given to a qualified staff person within the same department.

- 1.08** In the event of full-time positions becoming vacant because of an agreement to job share another position, such vacancy will be filled temporarily for the first year in accordance with Article 12 of the Collective Agreement.
- 1.09** An employee who is participating in a job sharing arrangement shall be eligible to apply for promotion or lateral transfer. If successful, the employee will be required to terminate the job share arrangement and assume the duties and responsibilities of the new position on the date specified by the Department.
- 1.10** If there is more than one request for job sharing in the same classification and the Department is unable to grant all requests, first consideration will be given to the senior applicant.
- 1.11** Where available, prior to the development of a job sharing agreement, individuals will be given the option of part-time work.

In the event the employee accepts the part-time work, this Agreement shall not apply.

## **Section Two - Rates of Pay and Benefits**

- 2.01** Rates of pay for job sharers will be based on the daily rate which is equal to 1/10th of the biweekly rate.
- 2.02** Employment Insurance and Canada Pension Plan contributions will be based on actual earnings.
- 2.03** Job sharers will each be eligible for the following benefits on the same basis as part-time employees:
- sick pay credits
  - dental plan
  - vision care plan
  - maternity leave
  - bereavement and funeral leave
  - workers' compensation
  - long service pay
  - group insurance
  - disability benefits
  - pension plan (Section 2.06).
- 2.04** Vacations shall be calculated according to Articles 25-2, 25-3, 25-4 and 25-5. Job sharers will have the option of being paid or taking time off.
- 2.05** Paid public holidays will be divided between the two job sharers based on time worked. For example, if the job is split 50/50, then public holidays will be split 50/50. If the job is split 60/40, then the public holidays will be split 60/40 and so on. The job sharers will develop a payment schedule in conjunction with the Department Head.
- 2.06** The Pension Plan shall be administered in accordance with the City of Winnipeg Pension Plan.
- 2.07** Overtime will be considered as time worked in excess of the regular working hours in any work day, i.e.: clerical - 8:30 a.m. to 4:30 p.m.; or time worked in

excess of the total regular hours of work for the shared position in any work week, i.e. 35 or 40 hours.

- 2.08** Job sharers eligible for tool allowance shall receive this benefit on a pro rata basis.
- 2.09** Employees will accrue service for actual time worked in the job share position. If one of the job sharers is a part-time or seasonal employee or from another Department, they will continue to maintain seniority only in their former position/department and will not accrue seniority in the job share position/department.
- 2.10** Increments will be awarded on a pro rata basis, i.e.: job sharers will be eligible for an increment after working the equivalent of one full year (252 days).
- 2.11** Each job sharing agreement must be renewed annually. Job sharers must provide at least one month of written notice of their request to renew their agreement. In no case will an agreement exceed 10 years.

**RE: REDEPLOYMENT**

---

It is understood that the employment security provided to permanent employees pursuant to Article 4-2 of this Agreement is conditional upon acceptance of any reasonable offer of alternative employment that may be made by the City in accordance with the terms of this Letter of Understanding.

The intent of the redeployment process is for the parties to endeavour to redeploy employees into appropriate vacant positions taking into consideration the positions which are available, and the skills and abilities of the affected employees to meet the requirements of the available positions.

The parties will work cooperatively to reach agreement on all cases of redeployment. In the absence of a joint recommendation by either the Joint Departmental Placement Committee or the Joint Corporate Placement Committee being made within a reasonable period of time, the City reserves the right to redeploy affected employees in accordance with the principles otherwise contained in this Letter of Understanding.

It is further understood that, notwithstanding any provision of this Letter of Understanding, the Letter of Understanding does not limit the right of any CUPE member to access the grievance procedure.

**JOINT DEPARTMENTAL COMMITTEE**

**Placement Within the Department**

The City and the Union shall establish a Joint Departmental Placement Committee (JDPC) to facilitate the redeployment of permanent staff. This Committee shall make joint recommendations for placement of each affected employee in a mutually agreeable manner that balances the individual circumstances of the employee and the operational needs of the Department.

The Committee shall attempt to redeploy the affected employee(s) within the Department through placements in suitable vacancies. The Committee will consider such issues as retraining, probationary period, salary protection, leg up protection, allowing displaced employees to meet qualifications within a reasonable period of time, or any other matters deemed appropriate, including seniority, for the success of the particular placement.

The affected employees do not have the right to refuse placement in a suitable vacancy provided that position constitutes a reasonable offer of alternative employment, and shall forfeit all employment security rights pursuant to the Agreement in that event.

Employees will have their rate of pay protected at the rate of their regular classification if they are placed into a classification with a lower rate of pay. Salary protection shall commence, and apply to all affected employees in the form of "present incumbent only status", for a period of two years, effective the date of the first redeployment or secondment amongst a group of affected employees or the period shall commence as otherwise agreed to by the parties after consideration of all relevant factors. At the end of the two-year period, "Red Circling" will commence until such time as the salary paid falls within the salary range of the new position.

"Present incumbent only" means that the employee's rate of pay shall be fixed at his/her current step in his/her former salary range, and she/he shall receive negotiated salary increases/decreases applied to that step in that salary range. "Red circling" means an individual's rate of pay remains at the current increment level and that individual will receive 50% of the economic increases until such time as the salary paid falls within the salary range of the new position. However, it is understood that in the event of any salary decrease the full amount of that decrease will be applied to the salary paid.

Where placement within the Department is not possible within a reasonable period of time, the matter will be referred to the Joint Corporate Placement Committee.

### **JOINT CORPORATE PLACEMENT COMMITTEE**

#### **Placement Within the Civic Service**

The City and Union shall establish a Joint Corporate Placement Committee (JCPC) to facilitate the redeployment of permanent staff not accommodated within their own Department. This Committee shall apply the same principles in carrying out its responsibilities as the Joint Departmental Placement Committee, and be given additional authority to access information such as:

- a) current CUPE establishment by department
- b) current vacancies
- c) current bulletined positions
- d) projected establishments, vacancies and retirements
- e) a listing of all employees with leg up protection and salary protection
- f) current seniority lists.

#### **BUMPING RIGHTS**

Affected employees may only exercise their bumping rights in the event that a reasonable offer of alternative employment has not been made within 12 months from the date the employee was first referred to the Joint Departmental Committee or such longer period as may be agreed to by the parties. It is understood that civic seniority only shall apply when an employee exercises his/her bumping rights under this Agreement. Salary protection will not be provided to employees who bump into a lower rated position.

**RE: CHANGE INITIATIVES**

---

**PREAMBLE**

The City and the Union are committed to providing the highest levels of service to all citizens with due consideration to maintaining civic employment.

The parties agree to continue to work together in a cooperative manner to manage change initiatives that would result in a reduction in staffing levels or the hours of work normally provided by current members of the bargaining unit, including departmental restructuring and work redesign. The City and Union shall address all such change initiatives involving CUPE members with due consideration for the Collective Agreement and the parties' longstanding practice of working together to avoid contracting out by pursuing internal efficiencies.

The parties agree to apply the following principles and processes in managing change initiatives:

**PRINCIPLES**

1. The sharing of relevant information and dialogue on matters of mutual interest including departmental budgets, change initiatives and Council established priorities in a timely manner.
2. Upon request, Civic Departments and the Union will meet twice a year to discuss all matters of mutual interest.
3. In recognition of the Union's interest in maintaining the efficiency of the work performed by its members, the Union may annually request a meeting with the Chief Administrative Officer, the Director of Corporate Support Services Department and the Manager of Labour Relations to discuss such issues.
4. During the course of collective bargaining and until ratification of the Collective Agreement, the City affirms that it has no intention to contract out work beyond current levels.

**PROCESS**

**Preliminary Notice**

1. When considering contracting out initiatives, at its election, the City may give preliminary notice to the Union of its intent to consider the initiative along with a preliminary estimate of the potential number of positions that may be affected.
2. Effective the date of the preliminary notice under Part 1, the City may fill permanent positions that may be suitable redeployment options on a temporary basis. Suitability shall be determined in accordance with the Letter of Understanding Re: Redeployment. The duration of the temporary fill shall not exceed twelve months unless the City provides formal notice as provided for in Part 6 below within twelve months of the preliminary notice under Part 1 herein. If the City does not provide notice pursuant to

Part 6 within twelve months, all positions filled on a temporary basis shall be filled permanently without undue delay unless otherwise agreed by the parties.

3. If the City provides notice under Part 6 herein, it may continue to fill permanent positions on a temporary basis subject to the maximum number of employees to be redeployed giving consideration to appropriate classifications. Any permanent vacancies within the area under consideration for contracting out may be held vacant or filled temporarily at the City's discretion.
4. If the City elects to proceed with the contracting out initiative, any permanent positions filled on a temporary basis shall be available to redeploy affected staff in accordance with the Letter of Understanding Re: Redeployment. Any affected employees not redeployed into such temporarily filled positions shall remain subject to redeployment in accordance with the Letter of Understanding Re: Redeployment.
5. If the City elects not to pursue the contracting out initiative, any positions filled temporarily pursuant to the preliminary notice shall be filled permanently without undue delay. However, by mutual agreement of the parties, such positions may continue to be filled temporarily pursuant to preliminary notice respecting another contracting out initiative.

#### **Formal Notice**

6. The City shall provide a minimum of 90 days' written notice to the Union of its intention to contract out work currently performed by members of the bargaining unit, and such notice shall include a copy of the related business plan.
7. The Executive Policy Committee of Council shall meet with the Union (in-camera) within 45 days of the aforementioned notice to discuss the business plan and the Union's concerns regarding the impact on members of the bargaining unit.
8. During the term of the Collective Agreement, the Executive Policy Committee of Council and the Union shall have the authority to recommend changes to the Collective Agreement for specific change initiatives. Joint recommendations shall be referred for ratification to both City Council and the Local 500 Central Council.
9. In recognition of the Union's concerns, the Executive Policy Committee of Council, when requested, agrees to meet in-camera with CUPE in April and October of each year to discuss the following matters of mutual interest:
  - Continued employment of Seasonal, Part-time and Temporary personnel;
  - Staffing Levels;
  - Business Initiatives;
  - City Budgets; and
  - Change Initiatives
10. When change initiatives are implemented that result in the reduction of staffing levels or reduce the hours of work normally provided by current members of the bargaining unit, the City shall, wherever possible, accommodate such changes through attrition.
11. Where such reductions cannot be dealt with through attrition, the City will make every possible effort to reassign the affected employee to an equivalent position at the comparable rate of pay in accordance with the City's past practice.

12. In those instances where such reassignments are not practicable, Articles 19 and 20 of the Collective Agreement and the Letter of Understanding Re: Redeployment shall apply. In all cases, the reassignment or redeployment of affected employees will be done in consultation with the Union to address such issues as seniority in the "new" positions and the "crossing" of seniority lines.

If Article 3 – Respectful Workplace has been violated, the following will apply:

Directly to Step 3

Depending on the nature of the incident, Management or the Union has the right to proceed directly to Step 3. All matters involving violence will proceed directly to Step 3. Most other situations will begin at Step 1.

***Step 1 – Resolving the Problem on Your Own***

Keeping in mind the principles of a respectful workplace, attempt to resolve the problem directly with the other party by:

- Raising the issue with the other party in a timely manner.
- Discussing the problem with them openly in an attempt to resolve the issue.
- Asking them to stop the offending behaviour.

If you want support or assistance in approaching the person, you may consult your supervisor, Union Steward, co-worker or Departmental Human Resource Representative.

If the issue involves your immediate Supervisor, you may contact the Departmental Human Resource Representative or your Union Representative. Discussions or resolutions in this Step are considered to be “without prejudice” to either party and will not be used by the parties at subsequent stages of this process or at other proceedings under Article 3.

If for any reason you are unable to approach the other person, or after approaching them, you do not feel the problem has been resolved, proceed to Step 2.

***Step 2 – Problem Solving***

Report the issue to your immediate Supervisor. You may request the help of a Union Representative if you wish. As soon as possible, the Supervisor will conduct an assessment and attempt to resolve the issue in a problem solving and educational manner.

If unresolved, proceed to Step 3.

### **Step 3 – Resolution of Issue**

The immediate Supervisor or the Union Representative or the employee shall report the issue to the Manager or designate. The Manager, or designate, in cooperation with the Departmental Human Resource Representative shall attempt to resolve the issue. Both parties recognize that the resources being considered are sensitive to the employees' individual needs and culture. Such resources may include: coaching, mediation, EAP counselling, justice circles, or any other resources deemed appropriate.

Failing satisfactory resolution at this stage, individuals may exercise their rights under Article 31 – Grievances.

### **3. COMMUNICATION AND FOLLOW UP**

Management will inform all parties of the progress of the issue during the course of its resolution. When the matter is resolved, Management will notify the parties of its resolution as soon as possible and will quickly follow up with action required to restore and maintain a respectful workplace.

### **4. MALICIOUS OR VEXATIOUS COMPLAINT**

Anyone filing a malicious or vexatious complaint under Article 3 may be subject to disciplinary action.

### **5. REVIEW**

The City and the Union agree to meet no less than twice per year to review the viability of Article 3 and this Letter of Understanding. If both parties agree, changes can be made to this Letter of Understanding prior to the expiry date of the Collective Agreement.

**RE: INDIGENOUS RELATIONS**

---

The Indigenous Relations Division was established in March, 2013 in response to a growing demand from City Departments and the community to engage in a broader and more collaborative approach to programs, services and initiatives. The Indigenous Relations Division amalgamated existing civic Indigenous focused initiatives including the Oshki Annishinabe Nigaaniwak (OAN) and the City of Winnipeg's Indigenous Youth Strategy and the Intergovernmental Strategic Aboriginal Alignment's Memorandum of Collaboration.

**Vision:** To build success between the Indigenous community and City of Winnipeg.

**Mandate:** To provide leadership and experience from an Indigenous perspective on programs, services and initiatives that support and address the needs of Winnipeg's Indigenous community, now and in the future.

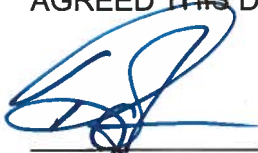

**Role:** To develop initiatives and partnerships based on community and corporate priorities.

**Commitment:** The City and Union are committed to the vision, mandate and role of the Indigenous Relations Division.

It is understood that specific Collective Agreement provisions may not be conducive to the fulfillment of the vision, mandate and role.

During the life of the Collective Agreement the parties agree to discuss any initiative of the Indigenous Relations Division with a view to making the necessary provisions to enable the specific initiative to be carried out. The parties may mutually modify any provision of the Collective Agreement, deemed necessary or desirable to facilitate the accomplishment of the vision, mandate or role of the Indigenous Relations Division. **[2016]**
